Welcome to RedTail Golf Club

RedTail Golf Club, located near Orlando in Sorrento, Florida, offers guests a true country club lifestyle on 480 beautiful acres. The crowning achievement of RedTail is the spectacular 18 hole golf course, which we call our “heart and soul.” In addition to championship golf, we also offer our guests fitness and tennis in our gated community.

Players will love our course, which was designed by famed golf course architect Dave Harman. Play spans 7,152 yards, creating a par 72 links-style course. We also have a 10-acre practice facility for golfers to improve their game, along with two putting greens. Our well-stocked pro shop also features all the latest apparel to fill all your golfing needs.
